Nota di contenuto	Due process and arbitration -- The New York convention as a starting point -- Arbitration agreement as basis of jurisdiction -- Aspects of jurisdiction other than the agreement -- The panel and due process -- Due process related to facts and evidence -- The role of the panel in the proceedings -- Fair arbitration : opportunity to present one's case -- Due process, lex proceduralia, fair arbitration : procedural foundation of arbitration.
Sommario/riassunto	Due Process in International Commercial Arbitration, Second Edition aides arbitration counsel and arbitrators alike by identifying a universal procedural approach for international commercial arbitration. Moving beyond institutional or jurisdictionally-specific analysis to a global discussion, this treatise examines and reconciles the principles of international due process as they continue to emerge. This second edition provides two new chapters, including a full chapter on how New York Convention rules apply to arbitration proceedings.
