| Livello bibliografico   | Monografia  |
| Note generali           | Based on author's thesis (doctoral).  |
| Nota di bibliografia    | Includes bibliographical references (p. 187-200) and indexes.   |
| Nota di contenuto       | Career success of disabled high-flyers -- The role of disabled people in the workplace -- Meanings of success for high-flyers -- Childhood -- Education -- Individual personality and motivation -- Career choice and experiences -- A portrait of the disabled high-flyer.   |
| Sommario/riassunto      | Drawing on case studies of 31 disabled adults, this book suggests that individual traits and patterns of behaviour are key factors in career success, and shows that it is often society rather than impairment that hinders professional progression. It will provide role models and valuable insights for young career-minded disabled people. |
