Sommario/riassunto	Al Huraibi addresses three questions: how do Somali immigrants negotiate gender notions and practices between those maintained in Somali culture and those adopted from mainstream American culture; how immigrants' understandings of Islamic writings on gender shape the negotiation process and how the integration process shapes their understanding of Islamic gender discourse; and to what extent resultant gender perceptions and practices reflect the transnational integration and cultural hybridism of two or more cultures. Al Huraibi concludes that respondents' cross-cultural selection of aspects f
