Graf -- Spain succored by religion : Titian and Lope de Vega's La dragontea / Jason McCloskey.

## Sommario/riassunto

Signs of Power in Habsburg Spain and the New World consists of ten chapters that examine the representation of political, economic, military and symbolic power both in Spain and the New World under the Habsburgs. In addition to analyzing the dynamics of power in written texts, chapters also examine pieces of material culture including coats of arms, coins, engravings and paintings by such artists as Titian and El Greco.
