Sommario/riassunto	Reduce stress and improve academic success with this research-backed framework for change Many American students are overworked, stressed-out, and still underperforming relative to their global peers. Overloaded and Underprepared: Strategies for Stronger Schools and Healthy, Successful Kids gives you the tools you need to begin making immediate changes at your school, in the community, and at home to benefit all kids. It provides a concrete framework to reduce student stress while engaging kids in real learning. The book helps you identify areas for improvement at your school, brainstorm poss
