Sommario/riassunto

Violence, Desire and the Sacred presents the most up-to-date interdisciplinary work being developed with the ground-breaking insights of Rene Girard's mimetic theory. The collection showcases the work of outstanding scholars in mimetic theory and how they are applying and developing Girard's insights in a variety of fields. Girard's mimetic insight has provided a fruitful way for different disciplines, such as literature, anthropology, theology, religion studies, cultural studies, and philosophy, to engage on common anthropological ground, with a shared understanding of the human person.
