Sommario/riassunto

In *Becoming Your Own China Stock Guru*, James Tripson, who runs the largest independent equity investment research firm in Mainland China, reveals how to profit from the investment opportunities available in the rise of the world's newest economic superpower. Tripson has invested in the Chinese market for more than twenty years and made his clients millions of dollars in the process. Now, with this new book, he offers you detailed guidance on how to profit from this significant financial opportunity.
