Eusebius at Caesarea: A Christian Impresario of the Codex -- Coda: Caesarea in History and Tradition -- Abbreviations -- Bibliography -- Notes -- Acknowledgments -- Index
Sommario/riassunto	Christianity and the Transformation of the Book combines broad-gauged synthesis and close textual analysis to reconstruct the kinds of books and the ways of organizing scholarly inquiry and collaboration among the Christians of Caesarea, on the coast of Roman Palestine. The book explores the dialectical relationship between intellectual history and the history of the book, even as it expands our understanding of early Christian scholarship.
