Sommario/riassunto	Much study has taken place of the prophetic and apocalyptic writings in recent decades, but the relationship between the two has been little

explored. A major explicit debate on the question is very much needed and is now provided. This collection of essays addresses the subject from a variety of points of view, including studies on the issues of definitions, ancient Near Eastern "prophecies", social anthropology and modern apocalyptic movements. In the introduction, Lester Grabbe argues that many scholars operate with subconscious assumptions about how apocalyptic writings relate to the p
