| Note generali | Description based upon print version of record. |
| Nota di bibliografia | Includes bibliographical references and indexes. |
| Nota di contenuto | Volume 1. Background to the current debate over firearms -- Volume 2. Cultural issues related to firearms in the United States -- Volume 3. Current controversies and policy recommendations. |
| Sommario/riassunto | This reference delves into various aspects of firearms in America--from gun control and gun rights to militia movements, to school-related shootings, and to the recent trends in gun ownership by women. Includes the pros and cons of firearm ownership as all of the following: a constitutional right, a key instrument of self-defense, a guarantee of political freedoms, and as a major factor in crime and personal injury. |
