Note generali Nota di bibliografia Includes bibliographical references and index. Nota di contenuto Introduction -- Theories of creativity and its contexts -- Theorizing a creative subjectivity -- Aspirants -- The shape of a creative career --Mature views -- Attractions, exclusions and self-repair --Contemporary identities of creativity and creative work. Employing a cross-disciplinary methodology and analytic approach, the Sommario/riassunto book investigates the new cultural meanings in play around a creative career. It shows how classic ideals of design and the creative arts, reinterpreted and promoted within contemporary art schools, validate the lived experience of precarious working in the global sectors of the creative and cultural industries, yet also contribute to its conflicts. 'Contemporary Identities of Creativity and Creative Work' presents a distinctive study and original findings which make it essential reading
