Sommario/riassunto	"Through the insights of some of the country's most successful CHROs, the authors reveal to current and aspiring CHROs what they should consider in the new and challengingly field of HR. It shows the next generation of leaders how to best prepare themselves for the top roles that they aspire to. In a version of, "if I only knew then what I know now", this book provides real world insight and pragmatic suggestions that will improve the aspiring CHRO's chances for success in one of the most demanding executive roles in the corporate world today"--
