Sommario/riassunto	The immigration issue affects virtually every American, directly or indirectly, often in deeply personal ways. This guide is designed to help people deliberate together about how we should approach the issue. The three options presented here reflect different ways of understanding what is at stake and force us to think about what matters most to us when we face difficult problems that involve all of us and that do not have perfect solutions. The US government essentially shut down immigration, at least temporarily, during the coronavirus pandemic. But as our country begins to reopen, difficult questions remain: Should we strictly enforce the law and deport people who are here without permission, or would deporting millions of people outweigh their crime? Should we ...
