Sommario/riassunto	An insider points out the holes that still exist on Wall Street and in the banking system Exile on Wall Street is a gripping read for anyone with an interest in business and finance, U.S. capitalism, the future of banking, and the root causes of the financial meltdown. Award winning, veteran sell side Wall Street analyst Mike Mayo writes about one of the biggest financial and political issues of our time - the role of finance and banks in the US. He has worked at six Wall Street firms, analyzing banks and protesting against bad practices for two decades. In Exile on Wall
