Cover; CONTENTS; EDITORIAL ADVISORY BOARD; GUEST EDITORIAL; Nota di contenuto Rapid internationalisation among entrepreneurial firms in Australia, Canada, Ireland and New Zealand; Location, industrial concentration and the propensity of small US firms to export; Entrepreneurial, market, and learning orientations and international entrepreneurial business venture performance in South African firms; A comparative investigation into the internationalisation of Canadian and UK hightech SMEs; Networking capability and international entrepreneurship; The guest editors argue that while interest in the domain of Sommario/riassunto international entrepreneurship has increased substantially over the last decade, there is still little agreement about its conceptual boundaries, core unit of analysis or central constructs. The central aim of this ebook is to add to the body of work that has contributed to internationalization and entrepreneurial activity that crosses national borders. The strategy employed was to adopt a wide definition of international entrepreneurship in an attempt to be inclusive and incorporate the many different perspectives currently being t
