Sommario/riassunto

Wonderfully written and beautifully presented , The Outlaws of Medieval Legend brings the popular heroes of the Middle-Ages to life. Featuring both famous - Robin Hood and William Wallace - and now forgotten rogues such as Gamelyn and Fulke Fitzwarin, this book explains the popularity of these semi-mythical figures, and how their stories appealed to the common people of the Middle Ages. Long unavailable, and now featuring a new introduction from the author, this is the perfect book for anyone with a fondness for medieval history and folklore.
