Sommario/riassunto

The authoritative resource for analyzing mergers and acquisitions (M&A) from every angle Paul Pignataro reveals the secrets behind growth through M&A in his new book, *Mergers, Acquisitions, Divestitures, and Other Restructurings + Website*. Through market shifts and regulatory changes, M&A has served as a solid approach to growth. Creating value through mergers and acquisitions is a highly coveted strategy, and Wall Street has long sought a clear technical understanding of the components of M&A as a key driver of growth. In this book, the author provides that understanding, covering all essenti
