Nota di contenuto	Phonetics and phonology -- Morphosyntax -- Lexis -- History, including changes in progress -- Survey of previous works and annotated bibliography -- Texts -- Shetland -- Orkney -- Caithness -- Black Isle -- Mid-northern B -- Mid-northern A -- South Northern.
Sommario/riassunto	The Scots dialects of northern Scotland Orkney and Shetland are among the most traditional varieties of English. Northern and Insular Scots provides an approachable description of the phonological structural and lexical natures of these varieties and a history of the varieties in relation to the areas in which they are spoken.
