

1. Record Nr.	UNINA9910821028903321
Autore	Wagner Ines
Titolo	Workers without borders : posted work and precarity in the EU // Ines Wagner
Pubbl/distr/stampa	Ithaca ; ; London : , : ILR Press, an imprint of Cornell University Press, , 2018
ISBN	1-5017-2917-9
Descrizione fisica	1 online resource (xiv, 168 pages)
Collana	Cornell scholarship online
Disciplina	331.62094
Soggetti	Foreign workers - European Union countries Foreign workers - Germany Employee rights - European Union countries Employee rights - Germany
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Previously issued in print: 2018.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Frontmatter -- Contents -- Acknowledgments -- List of Abbreviations -- Introduction -- Chapter 1. Methods and Data Collection -- Chapter 2. Posted Work and Transnational Workspaces in Germany -- Chapter 3. Management Strategies in Transnational Workspaces -- Chapter 4. Posted Worker Voice and Transnational Action -- Chapter 5. Borders in a European Labor Market -- Chapter 6. Broadening the Scope -- Appendix I: Article 3 of the Posting of Workers Directive -- Appendix II. Overview of Interviews -- Notes -- References -- Index
Sommario/riassunto	How the European Union handles posted workers is a growing issue for a region with borders that really are just lines on a map. A 2008 story, dissected in Ines Wagner's Workers without Borders, about the troubling working conditions of migrant meat and construction workers, exposed a distressing dichotomy: how could a country with such strong employers' associations and trade unions allow for the establishment and maintenance of such a precarious labor market segment?Wagner introduces an overlooked piece of the puzzle: re-regulatory politics at the workplace level. She interrogates the position of the posted worker in contemporary European labour markets and the implications of and regulations for this position in industrial relations, social policy and justice in Europe. Workers without Borders

concentrates on how local actors implement European rules and opportunities to analyze the balance of power induced by the EU around policy issues. Wagner examines the particularities of posted worker dynamics at the workplace level, in German meatpacking facilities and on construction sites, to reveal the problems and promises of European Union governance as regulating social justice. Using a bottom-up approach through in-depth interviews with posted migrant workers and administrators involved in the posting process, *Workers without Borders* shows that strong labor-market regulation via independent collective bargaining institutions at the workplace level is crucial to effective labor rights in marginal workplaces. Wagner identifies structures of access and denial to labor rights for temporary intra-EU migrant workers and the problems contained within this system for the EU more broadly.
