Contemporary Managers, 1998 -2008; Appendix I; Appendix II; Appendix III; Glossary; Bibliography; Index
Sommario/riassunto	This ambitious study of major league managers since the formation of the National League applies a sabermetric approach to gauging their performance and tendencies. Rather than focusing solely on in-game tactical decisions, it also analyzes broader, off-the-field management issues such as handling players, fans, and media, enforcing team rules, working with the front office, and balancing pressure versus performance.
