Sommario/riassunto	Learning Vital Reading Strategies: A Workbook for Students is designed as a resource guide for content area instructors who have no specific training in the field of literacy but want to help the struggling readers in their classrooms. This book provides simple, step-by-step ideas for introducing and embedding reading strategies within all content areas without sacrificing a lot of valuable class time. This easy-to-use resource will equip instructors to not only help their students be stronger readers in general, but to be stronger readers of content-area academic texts.
