Regulating non-international armed conflicts -- Ad-hoc regulation -- Systematic regulation through international humanitarian law -- Regulation through a body of international law -- The sources of the law on non-international armed conflict -- Pt. II. The substantive law of non-international armed conflict -- Identifying a non-international armed conflict : armed conflicts and internal tensions and disturbances -- Identifying a non-international armed conflict : international and non-international armed conflicts -- Scope of application -- Protection of civilians and persons hors de combat -- Implementation and non-judicial enforcement -- Judicial enforcement -- Pt. III. Moving forward -- Developments needed in the law.
Sommario/riassunto	This book brings together and critically analyses the disparate conventional, customary, and soft law relating to non-international armed conflict. All the relevant bodies of international law are considered, including international humanitarian law, international criminal law, and international human rights law. The book traces the changes to the legal framework applicable to non-international armed conflict from ad hoc regulation in the nineteenth and early twentieth century, to systematic regulation through the 1949 Geneva Conventions and 1977 Additional Protocols, to the transformation of t

Sommario/riassunto	This book is a practical and comprehensive guide to succeeding in doing business and investing in emerging Myanmar, formerly known as Burma. It covers the newly emerging country's history, geography, demographics and market size, political environment, economic conditions and industries, legal framework, cultural idiosyncrasies including religious issues. It also discusses language, beliefs and customs, business etiquette and attitudes, management and working styles, meetings and decision making, and negotiation strategies that work. It identifies incentives offered with regard to tax relief and repatriation of profits, the various sectors that are opening up, and where opportunities for participation exist. It also highlights the risks inherent in entering an emerging and new market economy and suggests ways of mitigating these risks. Strategies for success in an emerging Myanmar are propounded for both investors and businesses. This book allows for a deeper understanding of the business environment in Myanmar. You will be better able to evaluate the risk

factors and options available and then make meaningful investment and business decisions.
