Sommario/riassunto

Index

Boot camps? what are their effects on criminal behavior? Public and political support for boot camps as alternative correctional facilities has rarely faltered since their inception decades ago, though their efficacy remains uncertain. Rehabilitation Issues, Problems, and Prospects in Boot Camp explores all facets of the controversial issue, from the attitudes and perceptions of the public, to the political motivations in maintaining them, on to the latest research on the camps and their graduates. Respected authorities discuss boot camps' effectiveness on diverse groups accord
