Sommario/riassunto	This second edition of Helping in Child Protective Services: A Competency-Based Casework Handbook is a comprehensive desk

reference that serves as both a daily guide for workers and a training tool for supervisors and administrators. This invaluable resource provides CPS workers with the knowledge and skills necessary to assist vulnerable families, covering such key issues as assessment, decision making, intervention, child development, medical evaluation, accountability, and the legal framework of culturally responsive practice. This handbook equips CPS professionals and students to follow th
