Livello bibliografico	Monografia
Note generali	"Published in cooperation with the William P. Clements Center for Southwest Studies, Southern Methodist University."
Nota di bibliografia	Includes bibliographical references (p. 229-248) and index.
Nota di contenuto	Front matter -- Contents -- Acknowledgments -- Prologue: Hidden Histories -- 1 Ghosts of Empires Past -- 2 Borderland Dreams -- 3 Industrial Frontiers -- 4 The Mexican Cornucopia -- 5 Transnational Passages -- 6 Development and Disorder -- 7 Insurgent Landscapes -- Epilogue: Remapping the Borderlands -- Notes -- Bibliography -- Index
Sommario/riassunto	Published in Cooperation with the William P. Clements Center for Southwest Studies In the nineteenth and early twentieth centuries, Mexicans and Americans joined together to transform the U.S.-Mexico borderlands into a crossroads of modern economic development. This book reveals the forgotten story of their ambitious dreams and their ultimate failure to control this fugitive terrain. Focusing on a mining region that spilled across the Arizona-Sonora border, this book shows how entrepreneurs, corporations, and statesmen tried to domesticate nature and society within a transnational context. Efforts to tame a "wild" frontier were stymied by labor struggles, social conflict, and revolution. Fugitive Landscapes explores the making and unmaking of the U.S.-Mexico border, telling how ordinary people resisted the

domination of empires, nations, and corporations to shape transnational history on their own terms. By moving beyond traditional national narratives, it offers new lessons for our own border-crossing age.
