Sommario/riassunto	Celebrated for its commitment to independence and fearless individualism, America in fact dismisses independent thinkers and nonconformists in favor of the team player, the company man, and the go-along-to-get-along mentality. This anti-intellectual mindset despises and discredits those who are solitary and reclusive. While we look up to literary loners like Poe and Melville and Dickinson, the man in the street is a compulsive joiner of clubs, and herds from university frats to the Order of the Pink Goat. To the contrary, this book is a paeon vigorously endorsing America's lone wolves, cultura
