Rothschild and Russell Burck -- Ethical dilemmas of team decisions in a cost-conscious environment / Joann Castle -- Duly compensated or compromised? : multiple providers and

cross-institutional decision making / Kathryn Hyer, Lori A. Roscoe, and Bruce Robinson -- Transitions from setting to setting along the care continuum : the case for megateams / Judith L. Howe ... [et al.] -- Emerging ethical issues in geriatric team care / Peter J. Whitehouse.

Sommario/riassunto

This book is designed to teach effective and responsible group decision making to clinicians working in teams to treat older patients. The editors use case studies to present ethical dilemmas that team members encounter.
