Sommario/riassunto

What is the state of intimate romantic relationships and marriage in urban China, Hong Kong, and Taiwan? Since the 1980's, the character of intimate life in these urban settings has changed dramatically. While many speculate about the 21st century as Asia's century, this book turns to the more intimate territory of sexuality and marriage-and observes the unprecedented changes in the law and popular expectations for romantic bonds and the creation of new families. *Wives, Husbands, and Lovers* examines how sexual relationships and marriage are perceived and practiced under new developments within
