Sommario/riassunto	This is the story of a fighting force. In the words of the marines themselves, Robin Neillands, formerly of 45 Commando RM, describes what it is really like to wear the legendary green beret, in peace and in war. This vivid account charts the story of the Royal Marine Commandos from their bloody baptism on the beaches of Dieppe to the final yomp into Stanley at the end of the Falklands War in 1982.
