Narinder Kapur, Elizabeth Glisky, Barbara A. Wilson -- Emotional and social consequences of memory disorders / Robyn L. Tate.

Sommario/riassunto

This concise version of the Handbook of Memory Disorders is a selection of chapters from the original volume that have been chosen with the busy practitioner in mind. The Essential Handbook provides individual clinicians and students with those parts the editors consider most relevant and useful on a day-to-day basis, as a portable adjunct to the more comprehensive Handbook.
