Nota di contenuto	Introduction : anthropology of policy -- Domestic drug policy goes to war -- Human rights policymaking and military aid -- Paramilitary proxies -- Living under many laws -- Origin stories -- Competing solidarities -- Putumayan policy claims -- Conclusion : Plan Colombia, Putumayo, and the policymaking imagination.
Sommario/riassunto	"In 2000, the U.S. passed a major aid package that was going to help Colombia do it all: cut drug trafficking, defeat leftist guerrillas, support peace, and build democracy. More than 80% of the assistance, however, was military aid, at a time when the Colombian security forces were linked to abusive, drug-trafficking paramilitary forces. Drugs, Thugs, and Diplomats examines the U.S. policymaking process in the design, implementation, and consequences of Plan Colombia, as the aid package came to be known."--Publisher's description
