

1. Record Nr.	UNINA9910821676903321
Titolo	Applicability of design safety requirements to small modular reactor technologies intended for near term deployment : light water reactors high temperature gas cooled reactors // IAEA
Pubbl/distr/stampa	Vienna, Austria : , : IAEA, , [2020] ©2020
ISBN	92-0-130920-1
Descrizione fisica	1 online resource (157 pages) : illustrations
Disciplina	617.51
Soggetti	Reactor Technologies
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
