Sommario/riassunto	Coaching Psychology: A Practitioner's Guide takes an in-depth look at the applications and everyday challenges faced by real-world practitioners of coaching and mentoring psychology, and is ideal as a companion to The Psychology of Coaching, Mentoring and Learning. This guide presents the first book to translate a unified approach to coaching and mentoring into a guide for practice. It is ideal for coaches, mentors, psychologists, and other professionals interested in

this area of practice.
