Nota di contenuto	The rise of French as an official national language -- The rise of English as an official language -- Regional languages official elsewhere : Basque, Catalan, Flemish and Alsatian -- Regional languages not official elsewhere : Breton, Corsican, Franco-Provencal, Occitan and the Langues d'oïl -- Revitalising the regional languages of France -- The regional languages of England and Wales : Welsh and Cornish -- The regional languages of Scotland : Scottish Gaelic and Scots -- The regional languages of Northern Ireland : Irish and Ulster Scots.
Sommario/riassunto	It was traditionally assumed that a single official language was necessary for the wellbeing of the state, particularly in France and Britain. This assumption is now questioned, and regional languages are making, in some cases, an impressive comeback. This book analyses a range of languages' development, decline and efforts at regeneration.
