Sommario/riassunto

Global Taiwan examines the impact of globalization on the industry and economy of Taiwan since the spectacular growth of the 1990s. Drawing on hundreds of interviews with firms in Taiwan, China, the United States, Japan, Europe, and other areas, the book analyzes the strengths and weaknesses of Taiwanese firms at a time when they face new competition from powerful global leaders and new producers in China. The contributors cover topics of enormous importance for Taiwan as well as the rest of the world, including transformations in the international economy, technological advances that enabled
