The impact of community-reinvestment agreements on mortgage lending to minority and low-income households and neighborhoods / Alex Schwartz -- ch. 6. Conclusion : human capital investment and central city revitalization / Fritz Wagner [et al.].
Sommario/riassunto	Viewing poverty as a condition that is fed and renewed on a daily basis by social and economic structures, this book focuses on the ways in which poor residents can be helped to improve their own situations, their living conditions, and the central city itself. Also includes four

maps.
