Sommario/riassunto	The updated and revised edition of this volume maintains its focus on the dialectic interrelation between 'news' and 'change'. News is intended as a textual type in its evolutionary - and revolutionary - development, while change is discussed with reference to the form, content and structure of news texts. The news texts in question range from the first forms of periodical news in the seventeenth century up to the news blogs and social media of the present day. Divided into four chapters, representing key historical moments in the process of news writing, each chapter makes use of a set of corp
