Note generali	Description based upon print version of record.
Nota di contenuto	Title; Contents; Dramatis Personae; Act I; Act II; Act III
Sommario/riassunto	When A Doll's House was first published in 1879 it created a sensation. The play follows the ordinary life of a housewife. Gradually the tensions within her marriage become clear and build to a final, stunning action. The play is widely studied because of its sharp critique of 19th century marriage norms, and its feminist tendencies.
