Sommario/riassunto

Cricket, law and the meaning of life ...In a readable, informed and absorbing discussion of cricket's defining controversies - bodyline, chucking, ball-tampering, sledging, walking and the use of technology, among many others - David Fraser explores the ambiguities of law and social order in cricket. Cricket and the Law charts the interrelationship between cricket and legal theory - between the law of the game and the law of our lives - and demonstrates how cricket's cultural conventions can escape the confines of the game to carry far b
