Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di bibliografia	Includes bibliographical references (p. 227-238) and index.
Sommario/riassunto	A psychological study of the Intifada "refusers," focusing on the intellectual and moral challenges selective conscientious objection poses for resisters in Israel. Linn (School of Education, Haifa U.) uses the theories of Rawls, Walzer, Kohlberg, and Gilligan as a framework for understanding and interpreting interviews with objecting soldiers.
