Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Sommario/riassunto	Originally published under the title Asceticism and Eroticism in the Mythology of Siva, this book traces the development of an Indian approach to an enduring human dilemma: the conflict between spiritual aspirations and human desires. The work examines hundreds of related myths and a wide range of Indian texts--Vedic, Puranic, classical, modern, and tribal--centering on the stories of the great ascetic, Siva, and his erotic alter ego, Kama.
