Wibben -- The search for meaning in global conjunctions: from ethnographic truth to ethnopolitical agency / Tarja Vayrynen -- When meaning travels: Muslim translocality and the politics of 'authenticity' / Peter Mandaville -- Messianic moments and the religious (re)turn in international relations / Andrea den Boer -- Reliving the Boxer Uprising, or, The restricted meaning of civilisation / Stephen Chan -- On the danger of premature conclusion (s) / Peter Mandaville. |
| Sommario/riassunto | This innovative volume brings together specialists in international relations to tackle a set of difficult questions about what it means to live in a globalized world where the purpose and direction of world |

politics are no longer clear-cut. What emerges from these essays is a very clear sense that while we may be living in an era that lacks a single, universal purpose, ours is still a world replete with meaning. The authors in this volume stress the need for a pluralistic conception of meaning in a globalized world and demonstrate how increased communication and interaction in transnational s
