Sommario/riassunto	Increase your emotional intelligence, build a better workplace Emotional intelligence is crucial for business leadership, and nowhere is that more true than in Asia, where emotions are particularly likely to be concealed during daily business interactions. Emotions can be a major asset for leaders if properly understood, and a source of significant disruption if they are ignored. EQ and Leadership in Asia provides business leaders in Asia with the keys to using emotions as allies as they face practical business challenges. Presenting emotional intelligence in a clear, str
