Sommario/riassunto	The explosive rise in the U.S. incarceration rate in the second half of the twentieth century, and the racial transformation of the prison population from mostly white at mid-century to sixty-five percent black and Latino in the present day, is a trend that cannot easily be ignored. Many believe that this shift began with the "tough on crime" policies advocated by Republicans and southern Democrats beginning in the late 1960s, which sought longer prison sentences, more frequent use of the death penalty, and the explicit or implicit targeting of
