Nota di contenuto	Book Cover; Title; Contents; introduction; planning for early years music; playing games; talking about music; music through movement; early stages in composing; investigating music; notating; music for voice; music with instruments; assessment points; books and resources; references; index
Sommario/riassunto	Music in the Early Years is for teachers working across the 3 to 8 age phase who want to make music integral to the life of the nursery and early years classroom. Music has often been taught as if it were different, something outside the mainstream curriculum, with teaching approaches quite at odds with early years work. This book takes children's development as its basis and works towards building a music pedagogy within early years practice. A readiness to listen, observe and reflect is central to the practice which threads through the book. Based on the authors' extensive exp
