

1. Record Nr.	UNINA9910822017203321
Autore	Moore Lisa Jean
Titolo	Catch and Release : The Enduring Yet Vulnerable Horseshoe Crab // Lisa Jean Moore
Pubbl/distr/stampa	New York, NY : , : New York University Press, , [2018] ©2018
ISBN	1-4798-4809-3 1-4798-4265-6
Descrizione fisica	1 online resource : illustrations (black and white)
Disciplina	595.492
Soggetti	Merostomata
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Previously issued in print: 2018.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Front matter -- Contents -- Preface -- Acknowledgments -- 1. Fieldwork in the Mudflats -- 2. Endangered -- 3. Amplexed -- 4. Bled -- 5. Enmeshed -- Conclusion -- Notes -- References -- Index -- About the Author
Sommario/riassunto	Based on a multimethod study that centers on interviews with over 30 conservationists, field biologists, ecologists, paleontologists and over 3 years of my fieldwork on urban beaches in the New York City area, the Florida Keys, and international conferences, 'Catch and Release' explores the interspecies relationships between humans and horseshoe crabs - our multiple sites of entanglement and enmeshment as we both come to matter.
