Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Preliminary Material -- Introduction -- Mission and Methodology -- Pentecostal Ecclesiology -- Trinitarian Network Church -- Network Catholicity -- Network Partnership -- Engaging the World -- Conclusion -- Bibliography -- Index.
Sommario/riassunto	Pentecostal churches have grown over the last century but only a limited amount has been written about their ecclesiology. Much of the existing work focuses on congregational models and contemporary practice. This book argues the need for a pentecostal systematic approach to ecclesiology. Utilising the method of Amos Yong a pentecostal ecclesiology based on a network church structure is developed. Systematic issues of catholicity are addressed through mission insights on partnership, and a hospitable approach to contextualisation is developed. This book, therefore, suggests new ways forward in pentecostal studies and ecclesiology.
