| Sommario/riassunto | Educational leaders not only face moral and ethical decisions regarding their classrooms, schools, districts, and education institutions, but they also must consider the complexities and threats that impact their communities. In this unstable era of war, terrorism, natural disasters, accountability, and high stakes testing, this process is particularly daunting. Ethical Educational Leadership in Turbulent Times is an engaging, case-study based text that will assist leaders in their ethical decision-making processes during a time of turbulence and uncertainty.
