Sommario/riassunto

Trends in Policing: Interviews with Police Leaders Across the Globe, Volume Four is the latest installment in a series of insightful interviews with senior police executives worldwide. The book offers readers an unparalleled insider's perspective on police goals, practices, and management in nationwide, regional, and city environments. Conducted by a team of academic and practitioner experts following the same schema of topics, the interviews explore the executives' backgrounds, education, and careers and provide insight on a number of topics relevant to their work, includi
