Sommario/riassunto	Conflicts often arise between regulations, making it difficult for school management teams and teachers to resolve situations with appropriate dignity and respect for all concerned. This book discusses provocative actual case studies to help teachers to reflect on their own ethics, guiding them to make more reasonable decisions in their schools, and thereby gradually transforming schools into more cohesive and caring communities. A model of consequences, consistency and caring, each aspect based on traditional ethical theories provides a scientific base - a rational and a responsive base for e
